

Lucius - White Lies

tom:
E
In the middle of the night

But we could turn the lights down
E A
If you wanna see what it's like to turn every moment into a memory

Gbm B
I just wanna lie with you
Gbm B
Teach me how to bend the truth

E E
I don't wanna know the meaning, I just need you now
A
We both know how it ends, there's nothing to figure out
E E
Do I really need a reason if I have no doubt?
A
Until nothing is left, so let's just pretend for now

E
If you have to try to love me
E
If that's the way it's gonna be

Well, at least we can have right now and it's bittersweet
