

# Lucky Soul - It's Yours

Tom: E

I've been standing out here in the  
Cold so long that i'm  
Just 'bout freezing now  
I'm just about freezing now  
The one sucker punch it went and  
Caught me wrong and i'm  
Just 'bout breathing now,  
I'm only just breathing now

It all comes back to me, i know  
It all comes back to me  
But it's yours,  
Anything that you ain't  
Never got given before  
Take it all if you're with me  
I've no need for anything more  
And i would be on fire  
It's me that makes you shy  
Just try it one more time  
Let me glimmer in your eyes

I've been trying not to tread on  
Anybody's toes but i'm  
Just so clumsy now  
I can't stop falling down  
I've got a little secret no one's s'posed to know

But i can't help blurting out  
You're all i've got to think about

It all comes back to me, i know  
It all comes back to me  
But it's yours  
Anything that you ain't  
Never got given before  
Take it all if you're with me  
I've no need for anything more  
And i would be on fire  
It's me that makes you shy  
Just try it one more time  
Let me glimmer in your eyes
