

Lucy Dacus - Please Stay

```
I think you mean what you say

           [Primeira Parte]
                                                            When you say you want to stay alive
Your clothes in the dryer
                                                            [Ponte]
Your hair on the shower wall
                                                            Quit your job
Your toothbrush is too much
                                                            Cut your hair
Your shoes empty in the hall
                                                            Get a dog
Your keys on the counter
                                                            Change your name
