

# Lucy Dacus - Please Stay

tom:  
A (forma dos acordes no tom de G)  
Capostrate na 2ª casa

[Primeira Parte]

Your clothes in the dryer  
Your hair on the shower wall  
Your toothbrush is too much  
Your shoes empty in the hall  
Your keys on the counter  
Your dirty dish in the sink  
Please, don't make me see these things

[Segunda Parte]

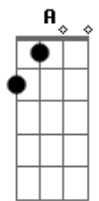

The books on your shelf that you never read  
The hunting knife you kept by your bed  
The flowers you dried and tied up with twine  
Suspended from the ceiling

[Pré-Refrão]

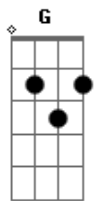

You tell me you love me, like it'll be the last time  
Like you're playing out, the end of a storyline  
I say I love you too, because it's true  
What else am I supposed to do?  
Maybe bar the door when you move to leave

[Refrão]

I think you mean what you say  
When you say you wanna die  
I think you mean what you say  
When you say you want to stay alive

[Ponte]

Quit your job  
Cut your hair  
Get a dog  
Change your name  
Change your mind  
Change your ways

Give them time  
Go back to school, go back to sleep  
Tell the secret you can't keep  
Begin, be done  
Break a vow, make a new one  
Call me if you need a friend, or never talk to me again

[Final]

But please stay  
But please stay  
But please stay  
But please... stay
