

Lucy Hale - Run This Town

Tom: F

F Dm
Hold on cause I'm letting go

Bb C
I'm gonna lasso your heart like a rodeo

F Dm
I'm gonna give you some 'till you want some more

Bb C
Cause all I see is an open door

Dm
And I see where it's leading me

F Bb
All of this energy, been bottled for way too long

C
It's powerful, powerful

Dm
You see what I'm getting at

F
I'm ready for all of that

Bb C
If I'm not a star, you're blind

F
I've got rings on my fingers

Dm
And glitter in my hair

Bb
I bought a one-way ticket

C
And I just got here

F
I'm gonna run this town

Dm
Run this town

Bb
I'm gonna run this town

C
Run this town

F
I've got high heel stilettos

Dm
And I'm kicking in doors

Bb C
And kissing your ass ain't what my lipstick's for

F
I'm gonna run this town

Dm
Run this town

Bb
I'm gonna run this town

C
Run this town tonight

F Dm
I'm climbing high but there ain't no net

Bb C
You like to see me jump a bit

F Dm
Well everyday's just like Russian roulette

Bb C
I'm gonna play, play, play with no regrets

Dm
Cause I'm tired of second best

F
Tired of doing this

Bb
Tired of hypocrites

C
Twisted like licorice

Dm
I'm crushing them in my fist

F
Hushing their ignorance

Bb C
You had your chance, now's mine

I've got rings on my fingers

Dm
And glitter in my hair

Bb
I bought a one-way ticket

C
And I just got here

F
I'm gonna run this town

Dm
Run this town

Bb
I'm gonna run this town

C
Run this town

F
I've got high heel stilettos

Dm
And I'm kicking in doors

Bb C
And kissing your ass ain't what my lipstick's for

F
I'm gonna run this town

Dm
Run this town

Bb
I'm gonna run this town

C
Run this town tonight

Dm F
Tonight, nothing's standing in my way

Bb C
There's no obstacles anymore

Dm F
In a minute, I'll be on my way

Bb C
To the moment I've been waiting for

F
I've got rings on my fingers

Dm
And glitter in my hair

Bb
I bought a one-way ticket

C
And I just got here

F
I'm gonna run this town

Dm
Run this town

Bb
I'm gonna run this town

C
Run this town Tonight

F
I've got rings on my fingers

Dm
And glitter in my hair

Bb
I bought a one-way ticket

C
And I just got here

F
I'm gonna run this town

Dm
Run this town

Bb
I'm gonna run this town

C
Run this town

F
I've got high heel stilettos

Dm
And I'm kicking in doors

And kissing your ass ain't what my lipstick's for

I'm gonna run this town

Run this town

I'm gonna run this town

Run this town

I'm gonna run, I'm gonna run, gonna run

Run this town

I'm gonna run, I'm gonna run, gonna run

Run this town Tonight

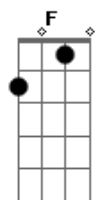

(run this town, run this town)

Tonight

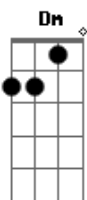

(run this town, run this town)

Tonight
