

# Lucy Rose - Be Alright

Tom: C

It's taken me a while to tell you  
Exactly how I feel inside  
The words may seem so simple right now  
But they took a while to find

Is this what you call love love love  
This is what I'm thinking of

Because I knew  
That you'd be alright  
And in heart you'd stay a while with me  
And we danced in the morning light  
And you said to me we'd be alright  
Yeah we'll be alright  
(F G)(x2)

Please don't tell me you have moved on  
Just give me one chance to explain  
My feelings are still here and growing

They're new to me and I'm still learning  
Is this what you call love love love  
This is what I'm thinking of

Because I knew  
That you'd be alright  
And in heart you'd stay a while with me  
And we danced in the morning light  
And you said to me we'd be alright  
Yeah we'll be alright  
Yeah we'll be alright

Is this what you call love?  
Is this what you call love?  
And is this what you call love love love  
This is what I'm thinking of

And is this what you call love love love  
This is what I'm thinking of.
