Tom: **A**

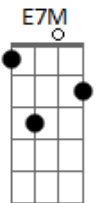

I really don't mean to bring you down **A**  
 But I need someone to talk to **Dbm**  
 I heard that I might've brought you down **A** **Ab** **A**  
 I need someone to talk to **Dbm**  
 And that person's you **B**  
 'Cause the confines of this world **D** **Dbm**  
 Are what make me uncomfortable **E** **B**  
 But the world, it keeps on turning **D** **Dbm**  
 Well, I guess I'll keep turning too **E** **B**  
 'Cause all I ever wanted was for you to feel proud **Dbm** **B** **E** **A**  
 And everybody's telling me I'm losing my mind **Dbm** **B** **E** **A**  
 And all I ever wanted was for you to feel calm **Dbm** **B** **E** **A** **Ab** **A**  
 Now everybody's worried that I'm losing my faith **Ab**  
 I really don't mean to bring you down **A**  
 But I need someone to talk to **Dbm**  
 I heard that I might've brought you down **A** **Ab** **A**  
 I need someone to talk to **Dbm**

And that person's you **B**  
 'Cause the confines of this world **D** **Dbm**
