# Ludvig Forssell - BB Theme - Death Stranding

```
                          tom:
                A                   Bb
See the sunset
Gb
The day is ending
Bb
Let that yawn out
Gb
There's no pretending

Bb
I will hold you
Gb
And protect you
Bb
So let love warm you
Dbm
Till the morning

Gb        Ebm
I'll stay with you
Dbm
By your side
Bb
Close your tired eyes
Gb        Ebm
I'll wait , and soon
Dbm           Bb
```

```
I'll see your smile in a dream

Ebm   Dbm
And I
            Bb
Won't wake before you go
Ebm   Dbm
And I
            Bb
Still be your heartbeat

Dbm
Feel the raindrops
Gb
The dawn without you
Dbm
Watch that star rise
Am
Eons without you

Gb          Am
I'll stay with you
Dbm          B
In your mind every single day
Gb          Am
I'll wait and soon
Dbm          B
We're stranded on the beach
Gb
In our dream
```
