Tabulated from the (much easier to play) piano score by David
Atkinson
in October 1994.
V2.0 (11/94)

I have inlcuded left hand fingering underneath the tab.  I
think the

fingers (1=index,2=middle,3=ring,4=little(pinkie)).  I have
left out
fingering where a section is repeated or on parts where
fingering is
blatantly obvious.  If anyone needs an explanation, feel free
to email
me.

I transposed this to the key of A minor which seemed logical
to me at the
time but I have recently been informed that Tarrega used D
minor.
Tough!  I experimented with the B string tuned to Bb but,
although some
parts were easier, most was better with normal tuning.  Anyone
have any
other suggestions?

I might just try a D minor version if I find the time and
motivation.

p = pull-off, h = hammer-on, s = slide

===== = sustain.  However, to save me hassle, sustain all the
bass notes
for a whole bar where possible.

The roman numerals above the tab indicate either full barres
or half
barres.  The ...s indicate how long the barre lasts.

Adagio Sostenuto.
