

Luis Barcelos - Luz

tom:

C

Quando a vida passa

Leva a lugares diferentes

Caminhos que se cruzam

Passado, presente

Velhos amigos

Lembranças imortais

Historias de amor

Que ficaram para traz

Sempre é bom viver

Encontrar o coração

Construir um sonho

Com paz e emoção

Tudo tem seu preço

O destino esta, em suas mãos

É sempre bom, falar de amor

E abrir, seu coração

Luz, pra quem quer viver

Luz, a cada amanhecer

Luz, pra encontrar o amor

Luz, sempre pra quem for

Luz, pra viver a emoção

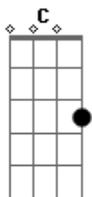

Luz, que ilumina a escuridão

Luz, se aonde for

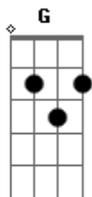

Luz, pra um grande amor

Luz
