

# Luis Miguel - Mañana de Carnaval

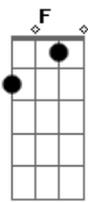

Tom: F  
Intro: Dm7 Gm7 A7 Dm7 Gm7 C7 F7 Bb7 A7 Dm7

Dm7 Gm7 A7 Dm Gm7 A7  
Azul la mañana es azul  
Dm7 Gm7 C7 F7 Am7 D7-  
El sol si le llamo vendrá  
Se detendrá en mi voz  
Y hasta la eternidad  
En su camino irá hacia otro azul  
Dm7 Gm7 A7 Dm Gm7 A7  
Después, yo no sé si hay después  
Si el sol volverá a despertar  
Porque la canción no ha de ser verdad

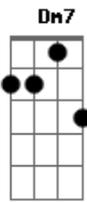

Porque en carnaval harmonia

Es que te busco yo  
Aunque no habrás de estar  
Y mentira tu voz en el azul  
Después, yo no sé si hay después  
Si el sol volverá a despertar  
Porque la canción no ha de ser verdad  
Porque en carnaval  
Cantaré el corazón, la razón de vivir  
Cantaré sin hablar, ni sentir
