Tom: G

```
    Instrumental: [G D C C]  2x

G                 D
I don't know for how long
C                         G     D
I've been waiting for someone like you
    C
To hop in my life
G                 D
Now more than ever
C                     G     D
I'm happy next to someone like you
        C
Never felt so alive

Em        D
I know I might be wrong
C                     G     G
Anyway I wrote this song for you
Em            D
I don't care what they say
C                   G     G       C
I just want you to stay with me for the night

G                 D
Oh darling stay next to me
Em              C
I'll make you happy you'll see
G              D          C
We'll have breakfast by the sea whoa
G              D
I'll make you a cup of tea
Em             C
And I'll make you happy you'll see
G         D        C
I'll serenade you by the tree
```
