

# Luis Trigacheiro - Perdão

tom:

B

Ofereci-te o mundo

De próprio punho fiz um mapa de certezas

Marquei naufrágios, tracei bons ventos  
Sem ver saíste e esqueceste-o sobre a mesa

Perdão

Por ter tomado tantas horas do teu dia  
Perdão

Por ter-te ouvido muito mais do que devia  
Perdoa os meus convites que aceitaste

O amor não vale o tanto que se diz

E tu tens mais na vida o que fazer

Que ser feliz

Aprisione num frasco  
O teu medo do escuro

Mas tu o partiste em mil pedaços  
E usaste os cacos em cima do muro

Perdão

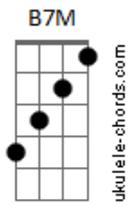

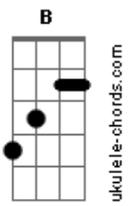

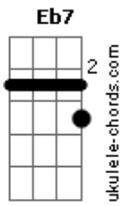

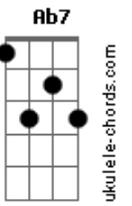

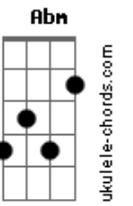

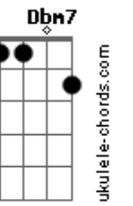

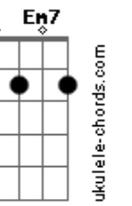

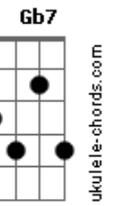

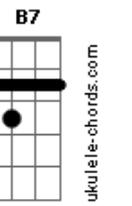

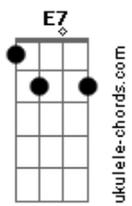

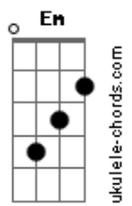

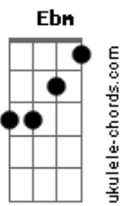

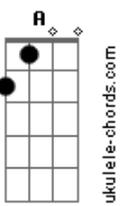

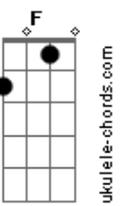

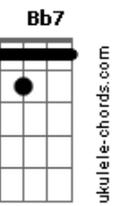

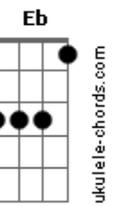

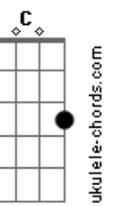

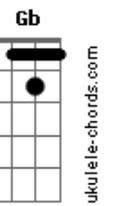

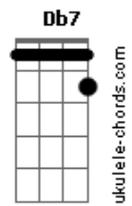

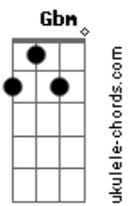

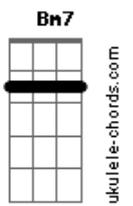

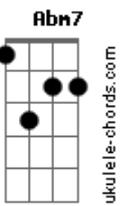

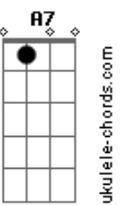

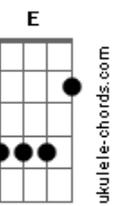

Por ter tomado tantas horas do teu dia  
Perdão

Por ter-te ouvido muito mais do que devia  
Perdoa os meus convites que aceitaste

O amor não vale o tanto que se diz

E tu tens mais da tua vida o que fazer  
Que ser feliz
