

# Luiz Vieira - Resto De Quem Parte

tom:

Am

Eu não queria magoar você  
 Nem desejava deste amor o fim  
 Procure antes entender por que  
 Fui obrigado a proceder assim

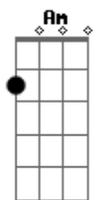

Verá então, sem mágoa, nem rancor  
 Depois que o tempo lhe disser enfim  
 Da imensa dor que dividimos ontem

Coube inteirinha a maior parte a mim

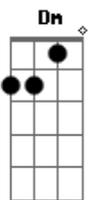

Você é flor cantando nas campinas  
 E eu o tronco seco ainda de pé  
 Você é fonte doce das colinas  
 E eu o riso que perdeu a fé

O mundo é campo aberto à sua vida  
 Na vida dos encantos todos seus  
 Eu sou a folha morta, a despedida  
 O resto de quem parte sem adeus
