Luisz - Lonely Ruby
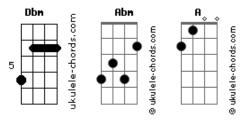

```
                             tom:
                   Dbm

                Dbm
You always say that you need me
Abm
You always say that you want me
A
You always say that you love me

Just another lie

Dbm
You made me feel like shit
Abm
You made me feel like I was in
        A
The bottom of the sea
Dbm
You made me feel like I was in the clouds
Abm
Then I feel like such a clown
A
When I see you, push me to the ground

Dbm
You always say that you need me
Abm                          A
You always say that you want me

But you don't need me

Dbm
Don't need me
Abm
Don't need me
A
Don't

I'm just a lonely ruby
Dbm
Lonely ruby
Abm
I'm just a lonely ruby
```

```
A
Lonely ruby

 Dbm  Abm  A
Lonely ruby

 Dbm  Abm  A
Lonely ruby

Dbm            Abm
Where's my sapphire?
            A
I can't see you

I can't find you
Dbm          Abm  A
Where's my sapphire?

Don't need me, no
Dbm
Don't need me
Abm
Don't need me
A
Don't

I'm just a lonely ruby
        Dbm
Fucking lonely ruby
        Abm
Fucking lonely ruby
        A
Fucking lonely ruby

Dbm  Abm  A
Lonely ruby
        Dbm
Fucking lonely ruby
        Abm
Fucking lonely ruby
A
Lonely ruby

[Final] Dbm  Abm  A
```
