

Luiz Carlos da Vila - Arco Íris

tom:

D

D

Gb7

Bm7

O teu sorriso é um arco-íris sobre o

Mar onde havia escuridão

O paraíso que eu estava a procurar

A7 D A7

A vida me revelou

A realidade onde eu guardo e vou

Buscar

Abm7 B7 Em D7

Os delírios da paixão

Tudo isso me invadiu

Buscar

E eu quero a permanência do invasor

És o astro que faz sentir

Que eu estou sob a regência do amor

Cheiro de mato na cidade

Um luxo raro

Abm7 B7 Em D7

Tu me deste e eu sou

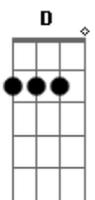

O disparo de um colibri

Que depois de tanto tempo vê a flor

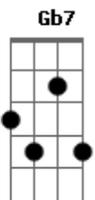

És o colo em que adormeci

Despertei, vi um sorriso multicolor
