

# Luiz Carlos da Vila - Luz do Vencedor

Tom: F

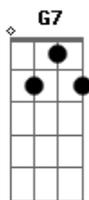

Quem não lutar pra conquistar o que sonhou fazer por merecer  
 Se iluminar na luz que há no vencedor pode até ganhar  
 E méritos não ter a--que|--cer os seus ideais em muito amor

Com o poder nas mãos não brincar o arvoredo  
 Do mal derrubar e arrancá-lo bem na raiz sua vida no  
 Bem sublimar pra ajudar a erguer o pilar de um mundo  
 Bem mais feliz  
 A chama não se apagou nem se apagará és luz de eterno  
 Fulgor candeia o tempo que o samba viver o sonho não  
 Vai acabar e ninguém irá esquecer candeia
