

Luiz Carlos da Vila - Luz do Vencedor

Tom: F

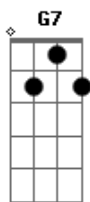

Quem não lutar pra conquistar o que sonhou fazer por
 merecer
 Se iluminar na luz que há no vencedor pode até ganhar
 E méritos não ter a--que|--cer os seus ideais em muito amor

Com o poder nas mãos não brincar o arvoredo
 Do mal derrubar e arrancá-lo bem na raiz sua vida no
 Bem sublimar pra ajudar a erguer o pilar de um mundo
 Bem mais feliz
 A chama não se apagou nem se apagará és luz de eterno
 Fulgor candeia o tempo que o samba viver o sonho não
 Vai acabar e ninguém irá esquecer candeia
