

Luiz Carlos da Vila - Solidão e Gás

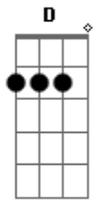

Tom: D

Hoje meu viver se transformou
 Do amor antigo que restou
 É uma saudade enorme assim
 Eu só tenho a exibir
 Um sorriso amarelo
 Desprende-se o meu elo
 Com o bom viver
 Solidão duelo, que me faz sofrer (o meu viver)

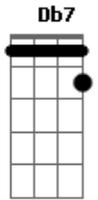

Hoje meu viver se transformou
 Do amor antigo que restou
 É uma saudade enorme assim
 Eu só tenho a exibir
 Um sorriso amarelo

Desprende-se o meu elo
 Com o bom viver
 Solidão duelo, que me faz sofrer
 Adormeci ao acalanto
 De um alguém que me fez
 No amor acreditar
 De repente acordo, esfrego os olhos
 Choro tanto, ao ver no bilhete
 Amor por ti já não há mais
 Toda a solidão e toda a dor
 Do mundo em mim se enclausurou
 Ah! Seu tivesse gás
 Ah! Seu tivesse gás
 Ah! Seu tivesse gás
