

Luiz Carlos Magno - Amor de Estudante

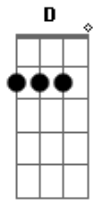

tom:
D

Intro: C F C
C F G

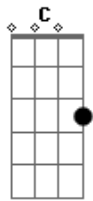

É outono, os amantes já se foram
As folhas do arvoredo cobrem o campo
As juras de amor já não se escutam
O verão já se foi
Meu amor de verão
Meu primeiro amor
Amor de estudante
Já se acabou
Mas virá outro verão
E virão outros amores
Mas nunca poderei esquecer

Meu amor de verão
Meu primeiro amor
Meu amor de verão
Meu primeiro amor
Amor de estudante
Já se acabou
Mas virá outro verão
E virão outros amores
Mas nunca poderei esquecer
Meu amor de verão
Meu primeiro amor
Meu amor de verão
Meu primeiro amor
