

Luiz Gabriel Lopes - O Fazedor de Rios

Tom: **A**
Intro: **Gbm Dm**

Gbm **Dm**
Minha sorte é devagar
Gbm **Dm**
Minha força é de manhã
Gbm **Dm** **A7**
A humanidade é minha irmã
B7 **A7**
de espírito, de estômago

Gbm **Dm**
Do meu calo da garganta
Gbm **Dm**
corre água, nasce flor
Gbm **Dm** **A7**
meu trabalho é germinar amor
B7 **A7** **B7**
Marítimo, continental, histórico

Gbm **Bm**
Dentro da água do rio a flor
Dbm **D**
quem te ensinou a pescar fui eu
Ebm **D** **Gbm**
andar com fé eu vou até amanhecer
Ebm **D** **A** (**D** **A**)

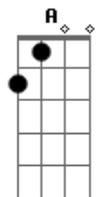

Numa cantiga de amor

Gbm **Dm**
O destino desse rio
Gbm **Dm**
já dizia minha mãe
Gbm **Dm** **A7**
corta fundo essa terra vã
B7 **A7**
de ritmos, no âmago

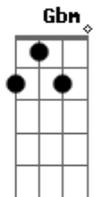

Gbm **Dm**
Vish, eu sei, trabalho duro
Gbm **Dm**
numa lágrima secar,
Gbm **Dm** **A7**
das metades de mim mesmo as estações
B7 **A7** **B7**
adentro, ocidentais, proféticas

Gbm **Bm**
Dentro da água do rio a flor
Dbm **D**
quem te ensinou a pescar fui eu
Ebm **D** **Gbm**
andar com fé eu vou até amanhecer
Ebm **D** **A** (**D** **A**)
Numa cantiga de amor
