

# Luiz Gonzaga - Estrela de Ouro

Tom: G

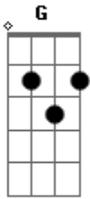

Afinação: D G C F A D

Reinado, Coroa, tudo isso o baião me deu  
 Estrela de ouro no meu chapéu  
 Roupas de couro e gibão

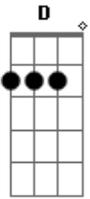

Como um milagre caído do céu, fizeram-me rei do baião

Ainda me lembro do tempo  
 Em que a gente valsava no meio do salão  
 Mas hoje está tudo mudado, devido ao reinado do meu baião  
 Percorri o mundo inteiro para ver se encontrava um estilo melhor  
 Mas até no estrangeiro esse bom brasileiro é também o maior
