

# Luiz Gonzaga - Passo do Pinguim

Tom: C

Pinguim nadou do pólo até o Cabo Firo  
E de lá pro Rio

Pra brincar o carnaval  
Do calor pinguim nem deu sinal

De casaco e peito duro

O pinguim é mesmo o tal

Pinguim!

Oi, olha o passo, o passo do pinguim, pinguim

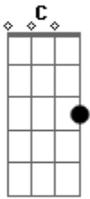

Sacudindo os ombros vai devagarinho, assim

E se o calor esquenta o fraque do pinguim

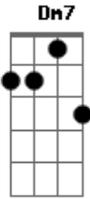

Ele pede um chope duplo e bebe tudo até o fim

Pinguim!
