

# Luiz Lopes Ex.tv.br - Pai Nosso Original do Grego

tom: G

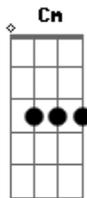

Oh Eterno Criador teu nome é Santo  
 Inicie o teu reino, seus desejos sejam realizados  
 No cosmos material e imaterial

Todos os dias temos o pão material  
 Mas nossas dívidas só serão perdoadas  
 Se nós perdoarmos aos que erram contra nós  
 Precisamos vencer nosso ego nosso mau  
 Para termos direito ao teu reino  
 Poder ,Luz ,sabedoria eternamente
