Tom: G

(intro) G G7 C Am Bm E7 Am D7 G

Assim se vai ?p `a três cruzes",

Sair batendo sincerro,

Alma solta adelante

Num trote de cruzar cerros

Cruzei por ? sauce" florido,

Água no peito da eguada,

Noite de orvalho na quincha

E a lua cortando a estrada

Lá em cima a d?alva encendida

Me ?invitando" a ?silba"

Tem o brilho dos teus olhos

Quando acende me chama

(refrão)

(Assim se vai ?p `a três cruzes",

Sair batendo sincerro,

Alma solta adelante

Num trote de cruzar cerros)

Me vou buscando o teu rumo,

?A mi modo de gauchar

El camino és mas florido"

Quando vou pra te encontrar

?Camino" de cerros largos,

?Canción" de ?noche" e luar,

Aroma de flor do campo,

Figuerilha e araçá

Assim se vai ?p? à três cruzes",

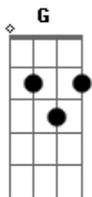

?Camino" largo da pampa

Alma solta adelante

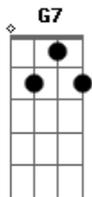

E o pago todo na estampa
