

Luiz Meira - Junto Até o Fim

tom: **G** **D** **Gbm Bm**

Boca vermelha e rosa tatuada

Fingindo prazer, dissimulada

Abrindo os desejos da manhã

Musa da noite morena flor da praia

Querendo te ver fugi da raia

Disfarça os segredos do divã

Teu sabor, o gosto doce do mel

Explendor, estrela luz do verão

Desfilou, cobrindo os brilhos no chão

Despedaçou depois, também caiu do céu

G G D
Arrumei pedaços de mim

G G D
Bem-te-vi dançando no ar

G Gbm Bm
Vem que eu vim inteiro pra te ver

E7
Só quero te querer

G
Preciso te encontrar

G G D
Vou te ver em qualquer lugar

G G D
Por favor me diga que sim

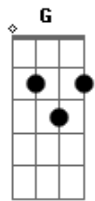

G Gbm Bm
Pra jurar preciso aprender

E7
A sempre te dizer

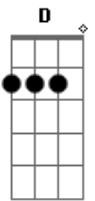

G
Vou junto até o fim

(**D Gbm G G**)
