

Luiz Melodia - Choro de Passarinho

Tom: A

Hoje eu acordei bem cedinho

Já estava preso num chorinho
Falando de amor e passarinho

Flor Amorosa e Delicado pra você

Tinha bem-ti-vi e biquinho

Coleiro solto no telheiro
Um Carinhoso bem Brejeiro

Nas harmonias que eu fazia pra você

Uma sabiá me viu passar assoviando um Odeon
Brasileirinha do tempero bom

Um coração de bandolim

Ôi, quebra-quebra guabiroba, quebra

Oi, quero-quero vamos namorar

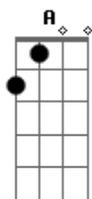

Um tico-tico é pouco para o meu fubá.

Hoje eu acordei

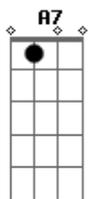

Hoje eu acordei

Hoje eu acordei
