

Luiz Melodia - Diz que fui por aí

Tom: C

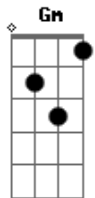

Se alguém perguntar por mim
Diz que fui por aí
Levando um violão / Debaixo do braço
Em qualquer esquina eu paro
Em qualquer botequim eu entro
E se houver motivo
É mais um samba que eu faço
Se quiserem saber / Se volto diga que sim
Mas só depois que a saudade se afastar de mim
Mas só depois que a saudade se afastar de mim

Tenho um violão
P'ra me acompanhar
Tenho muitos amigos
Eu sou popular
Tenho a madrugada
Como companhei. . . ra
A saudade me dói
No meu peito me rói
Eu estou na cidade
Eu estou na favela
Eu estou por aí
Sempre pensando nela
