

Luiz Melodia - Juventude Transviada

Tom: G

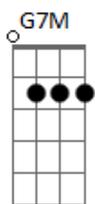

G Ab A7 Eb7
 Lava roupa todo dia, que agonia
 D7 G7M G7
 Na quebrada da soleira, que chovia
 C7M Cm7 Bm7 Bbm7 Am7
 Até sonhar de madrugada, uma moça sem mancada
 D7 G7M D7
 Uma mulher não deve vacilar

G Ab A7 Eb7
 Eu entendo a juventude transviada
 D7 G7M G7
 E o auxílio luxuoso de um pandeiro
 C7M Cm7 Bm7 Bbm7 Am7
 Até sonhar de madrugada, uma moça sem mancada

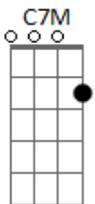

D7 G7M D7
 Uma mulher não deve vacilar
 G Ab A7 Eb7
 Cada cara representa uma mentira
 D7 G7M G7
 Nascimento, vida e morte, quem diria
 C7M Cm7 Bm7 Bbm7 Am7
 Até sonhar de madrugada, uma moça sem mancada
 D7 G7M G7
 Uma mulher não deve vacilar

C7M Bm7 A7 D7 Db7
 Hoje pode transformar e o que diria a juventude
 C7M Bm7 A7 D7
 Um dia você vai chorar, vejo clara as fantasias
