

Luiz Pedro Silva Paulo - Nunca Esmoreças

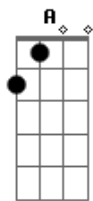

tom: A

Alma fraterna recorda os momentos infelizes
 Parecem noites de crises em que o céu lembra um vulcão
 Ribombam trovões no espaço, coriscos falam da morte
 Passa irado o vento forte tombando troncos no chão
 Os animais pequeninos gritam pedindo socorro

Descendo de morro em morro cai a enxurrada a correr
 Mas, finda a borrasca enorme, no escuro da madrugada
 Em riscas de luz dourada vem o novo amanhecer!
 Assim é também na vida, se atravessas grandes provas
 Na estrada em que te renovas, guarda a calma ativa e sã
 Sofre, mas serve e caminha, vence a sombra que te invade
 Se a hora é de tempestade há um novo dia amanhã!
