

Luiz Rock - Sair Por Aí

tom: E

Sair por aí a fim de alguém pra conversar
 Mesmo se ninguém eu encontrar
 Sozinho aqui eu não vou ficar

(E A)

Não importa onde chegar e o que pode acontecer
 Um mundo inteiro pra se conhecer

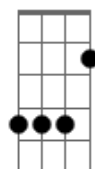

É preciso andar e não hesitar
 Fico bem mais calmo quando sei que nada sei

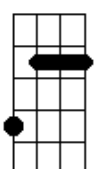

O medo se desfaz no anoitecer
 O tempo vai parar de te aborrecer
 A chuva há de passar e aqui tudo inovar

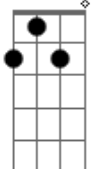

Já rodei as esquinas deste lugar
 Muitas avenidas atravessar
 Será que existe um porquê de eu pertencer a você
