

Luiza Brina e o Liquidificador - Back In Bahia

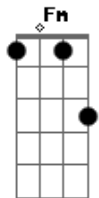

Am tom:
 You will absolutely fall in love with other people
 And maybe you'll actually surrender to someone
 And so many bright people will always want you
 Cause you have the looks that seduce me
 And you do the tricks that makes one trip
 But then, one day when you're back in bahia
 You're gonna play that old disc of maria (bethânia)

But then, one day, when you're back in bahia
 Wandering around, holding hands with maria

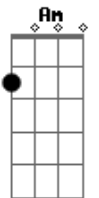

Some other, day, I'll bump into you
 And all the love songs, that I wrote for you will make sense
 And then you will notice, you lost a great chance

And cry, 'cause I'm back in bahia
 And cry, 'cause I'm back in bahia
 And cry, 'cause I'm back in bahia
 And cry, 'cause I'm back in bahia
