

# Luiza Girardello - I See You

Am tom:

When the ground beneath your feet disappears  
 When again you find yourself alone  
 When all that you can taste are salty tears  
 When the world is crushing down on all your bones  
 Even through it all you should know  
 I see you

( Am )

When the world chews you up and spits you out  
 Those you thought would be your friends have bled you dry  
 All you wanna do is shout so loud  
 Even if you're by yourself, you're not alone  
 ?Cause I see you

True courage  
 Is not about  
 The absence of fear  
 But acting in spite of it

True courage  
 Is not about
