Once I was seven years old, my momma told me  
Go make yourself some friends or you'll be lonely  
Once I was seven years old

It was a big big world, but we thought we were bigger  
Pushing each other to the limits, we were learning quicker  
By eleven smoking herb and drinking burning liquor  
Never rich so we were out to make that steady figure  
Once I was eleven years old, my daddy told me  
Go get yourself a wife or you'll be lonely  
Once I was eleven years old

I always had that dream like my daddy before me  
So I started writing songs, I started writing stories  
Something about the glory, just always seemed to bore me  
only those I really love will ever really know me  
Once I was twenty years old, my story got told  
Before the morning sun, when life was lonely  
Once I was twenty years old

I only see my goals, I don't believe in failure  
Cause I know the smallest voices, they can make it major  
I got my boys with me and this goes in favor  
And if we don't see before I leave, I hope to see you later  
Once I was 20 years old, my story got told  
I was writing about everything, I saw before me  
Once I was seven years old

Once I was 20 years old

Soon we'll be 30 years old, our songs have been sold  
We've traveled around the world and we're still rolling  
Soon we'll be 30 years old

I'm still learning about life  
My woman brought children for me  
So I can sing them all my songs  
And I can tell them stories  
most up my boys are with me  
Some are still out seeking glory  
some I had to leave behind  
My brother I'm still sorry

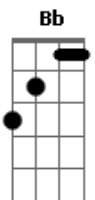

Soon I'll be 60 years old, my daddy got 61  
Remember life and then your life becomes a better one  
I made the man so happy when I wrote a letter once  
I hope my children come and visit, once or twice a month

Soon I'll be 60 years old, and I think the world is cold  
When I have a lot of children who can bore me  
Soon I'll be 60 years old

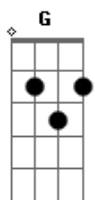

Soon I'll be 60 years old, and I think the world is cold  
When I have a lot of children who can bore me  
Soon I'll be 60 years old

Once I was seven years old, my momma told me  
Go make yourself some friends or you'll be lonely  
Once I was seven years old  
Once I was seven years old
