Once I was seven years old, my momma told me
Go make yourself some friends or you'll be lonely
Once I was seven years old

It was a big big world, but we thought we were bigger
Pushing each other to the limits, we were learning quicker
By eleven smoking herb and drinking burning liquor
Never rich so we were out to make that steady figure
Once I was eleven years old, my daddy told me
Go get yourself a wife or you'll be lonely
Once I was eleven years old

I always had that dream like my daddy before me
So I started writing songs, I started writing stories
Something about the glory, just always seemed to bore me
only those I really love will ever really know me
Once I was twenty years old, my story got told
Before the morning sun, when life was lonely
Once I was twenty years old

I only see my goals, I don't believe in failure
Cause I know the smallest voices, they can make it major
I got my boys with me and this goes in favor
And if we don't see before I leave, I hope to see you later
Once I was 20 years old, my story got told
I was writing about everything, I saw before me
Once I was seven years old

Once I was 20 years old

Soon we'll be 30 years old, our songs have been sold
We've traveled around the world and we're still rolling
Soon we'll be 30 years old

I'm still learning about life
My woman brought children for me
So I can sing them all my songs
And I can tell them stories
most up my boys are with me
Some are still out seeking glory
some I had to leave behind
My brother I'm still sorry

Soon I'll be 60 years old, my daddy got 61
Remember life and then your life becomes a better one
I made the man so happy when I wrote a letter once
I hope my children come and visit, once or twice a month

Soon I'll be 60 years old, and I think the world is cold
When I have a lot of children who can bore me
Soon I'll be 60 years old

Soon I'll be 60 years old, and I think the world is cold
When I have a lot of children who can bore me
Soon I'll be 60 years old

Once I was seven years old, my momma told me
Go make yourself some friends or you'll be lonely
Once I was seven years old
Once I was seven years old
