1-

2-

**Gbm A**  
Once I was seven years old

**D**  
My mamma told me

Go make yourself some friends

**E**  
Or you'll be lonely

**Gbm A D**  
Once I was seven years old

**Gbm A**  
It was a big big world

But we thought we were bigger  
**D**

Pushing each other to the limits  
**E**

We won't learn them quicker

**Gbm A**  
By eleven smoking herb

**D**  
And drinking burning liquor

Never rich so we were out

**E**  
To make that steady figure

**Gbm A**  
Once I was eleven years old

**D**  
My daddy told me  
Go get yourself a wife

**E**  
Or you'll be lonely

**Gbm A D**  
Once I was eleven years old

Segunda Parte:

**Gbm A**  
I always had that dream

**D**  
Like my daddy before me

So I started writing songs

**E**  
I started writing stories

**Gbm A**  
Something about that glory

**D**  
Just always seemed to bore me

Cause only those I really love

**E**  
Will ever really know me

**Gbm A**  
Once I was twenty years old

**D**  
My story got told

Before the morning sun

**E**  
When life was lonely

**Gbm A D**  
Once I was twenty years old

**Gbm A**  
I only see my goals

**D**  
I don't believe in failure

Cause I know the smallest voices

**E**  
They can make it major

**Gbm A**  
I got my boys with me

**D**  
At least those in favor

And if we don't lead before I leave

**E**  
I hope i'll see you later

**Gbm A**  
Once I was twenty years old

**D**  
My story got told

I was writing about everything

**E**  
I saw before me

**Gbm A D**  
Once I was twenty years old

Soon we'll be thirty years old

**D**  
Our songs have been sold

We've traveled around the world

**E**  
And we're still roaming

**Gbm A D**  
Soon we'll be thirty years old

**Gbm A**  
I'm still learning about life

My woman brought children for me  
**D**

So I can sing them all my songs  
**E**

And I can tell them stories  
**Gbm**

**A**  
Most of my boys are with me

**D**  
Some are still out seeking glory

And some I had to leave behind  
**Dbm**

My brother, I'm still sorry

**D Gbm**  
Soon I'll be sixty years old

I hope my children come and visit

Once or twice a month  
**D** **Gbm**  
Soon I'll be sixty years old

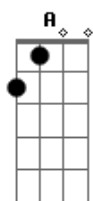

**E**  
Will I think the world is cold  
**Dbm**

Or will I have a lot of children  
Who can warm me  
**D** **Gbm** **D**  
Soon I'll be sixty years old

Soon I'll be sixty years old  
**Gbm** **A**  
Once I was seven years old
