Mama called about the paper turns out they wrote about me
Now my broken heart's the only thing that's broke about me
F Em D
So many people should have seen what we got going on
I only wanna put my heart and my life in songs
F Em D
Writing about the pain I felt with my daddy gone
About the emptiness I felt when I sat alone
F Em D
About the happiness I feel when I sing it loud
He should have heard the noise we made with the happy crowd
F Em D
Did my granddaddy know he taught me what a poem was
How you can use a sentence or just a simple pause
F Em D
What will I say when my kids ask me who my daddy was
I thought about it for a while and I'm at a loss
F Em D
Knowing that I'm gonna live my whole life without him
I found out a lot of things I never knew about him
F Em D
All I know is that I'll never really be alone
Cause we gotta lot of love and a happy home

F Em D
Magazines are writing stuff but I don't ever read them
Some of the folks I used to know would see and start believing
F Em D
That I would pass them by on streets and never reach to greet
them
I still remember folks even though I rarely meet them
F Em D
Don't you know I miss the times when we used to hang
Before twenty deep depended on a single man

F Em D
Before a single heart was broken by a single blow
Before all our careers depended on a single show
F Em D
I grew up with a lot of love in a happy home
Now I got a lot of cash and I'm on a road
F Em D
I realize privacy's becoming difficult
It's all right now but what about when I'm old
F Em D
I know my good friends now they'll last
The same ones that stood by me when my daddy past
F Em D
All I know is that we'll never really be alone
Cause we got a lot of love and a happy home

F Em D
I write a lot of songs will anybody ever read them
You hear them on the radio but will you really read them
F Em D
Why do we have our idols and why do we wanna be them
After we see them on TV we really wanna meet them
F Em D
Don't you think they miss the time when they used to hang
Before a fan base depended on a single man
F Em D
Before a single heart was broken by a single show
Who's gonna stand who's gonna fall I really wanna know
F Em D
I grew up with a lot of love in a happy home
My daddy use to play me vinyl but now daddy's gone
F Em D
I used to practice with my mommy on the piano
I still get nervous every time I know she's at a show
F Em D
Now my family comes first before everyone
I had the perfect dad I wanna be the perfect son
F Em D
Though I really feel sometimes I am on my own
I know I got a lot of love and a happy home
