

Lukas Graham - Love Someone

Tom: C

There are days
I wake up and I pinch myself
You're with me, not someone else
And I am scared, yeah, I'm still scared
That it's all a dream
'Cause you still look perfect as days go by
Even the worst ones, you make me smile
I'd stop the world if it gave us ti - me
'Cause when you love someone
You open up your heart
When you love someone
You may grow
If you love someone
And you're not afraid to lose them
You probably never loved someone like I do
You probably never loved someone like I do uhh uhh
When you say
You love the way I make you feel
Everything becomes so real
Don't be scared, no, don't be scared
'Cause you're all I need
And you still look perfect as days go by

Even the worst ones, you make me smile
I'd stop the world if it gave us ti - me
'Cause when you love someone
You open up your heart
When you love someone
You may grow
If you love someone
And you're not afraid to lose them
You probably never loved someone like I do
You probably never loved someone like I do uhh uhh
All my life
I thought it'd be hard to find
The one 'til I found you
And I find it bittersweet
'Cause you gave me something to lose
But when you love someone
You open up your heart
When you love someone
You may grow
If you love someone
And you're not afraid to lose them
You probably never loved someone like I do
You probably never loved someone like I do
You probably never loved someone like I do
