

# Lukas Graham - What Happened To Perfect

Tom: **A**  
Intro: **A E Bm D**

**A**  
I can see it in your eyes as I'm stumbling home  
**E**  
You're living with a man that you no longer know  
**Bm**  
You forgot to smile,  
**D**  
As I passed you by

**A**  
Now we're sitting down for dinner we got nothing to say  
**E**  
It's like I am watching you slowly slipping away  
**Bm**  
From me,  
**D**  
From me

**A**  
Remember when I used to make you laugh?  
**E**  
And every joke was better than the last?  
**Bm**  
Tell me how to bring you back to this  
**D**  
Maybe I just need to reminisce, and work it out

**A E**  
What happened to perfect?  
**Bm**  
What happened to us?  
**D**  
We used to be worth it  
**A**  
We never gave up  
**E**  
It wasn't on purpose  
**Bm**  
But hurts like it was  
**D**  
Nobody deserves this  
**A**  
What happened to perfect?

( **A E Bm D** )

**A**  
If you left me baby where would you go?  
**E**  
I can't imagine you ever being alone  
**Bm**  
I am a jealous man,  
**D**  
But I'll try to understand

**A**  
So many things to say, I don't know where to start  
**E**  
I can't pick up the pieces of a crumbling heart

**Bm**  
So true,  
**D**  
So true

**A**  
Remember when I used to make you laugh?  
**E**  
And every joke was better than the last?  
**Bm**  
Tell me how to bring you back to this  
**D A**  
Maybe I just need to reminisce, and work it out

What happened to perfect?  
**Bm**  
What happened to us?

Would you call if you heard this?  
**D**  
Would you know it was us?
