

Luke Berry - True

Tom: Gb

(forma dos acordes no tom de Eb)
Capostrate na 3ª casa

You told me we weren't meant to be
How come you can fix things
When you're with him
I wish I could be that lucky guy
Then maybe I would still
Have you by my side
Maybe you're all I need
Maybe we should just wait and see
Memories of you
Keep me awake
So much love by the side of that lake
That day
I lied in your chest
The world was at rest

We said it all
Said it all in our hearts
That we would never be apart
But look what we've done
It's been six months that we have talked
At all, at all
I miss you
Darling I'll be true
I miss you
No I won't lie to you
I miss you
I'll be true
I miss you
Darling I'll be true
I miss you
You know there's nothing I can do
'Cause I miss you
