

Luke Bryan - Blood Brothers

Tom: **G**

We were **Am** as young as we were dumb
C
 When we piled in a ol' pile of junk
G
 It was one for all, and all for one
D
 A bunch of outlaws without a gun
Am
 Shootin' bad booze outta dixie cups
C
 Chasin' every girl that wasn't fast enough
G
 No matter how bad the break or how bad the luck
D
 Or how bad the day you still had us

Am **C**
 Blood brothers closer than your next to kin
G
 Thick as these and the best of friends
D
 Take a bullet for each other
Am **C**
 Yea brothers like that don't come cheap
G
 You fight you cry you lie you bleed
D
 And you lean on one another
Am C G D
 Blood brothers

Am
 I got a scar on my cheek from a bar room brawl
C
 Wasn't meant for me but I took the fall
G
 It's a cowboy code it's an unwrote law
D
 When you mess with one you gotta take us all
Am **C**

Blood brothers closer than your next to kin
G
 Thick as these and the best of friends
D
 Take a bullet for each other
Am **C**
 Yea brothers like that don't come cheap

 You fight you cry you lie you bleed

C **G**
 Time can fly on by
D
 Everything can change
C **G**
 Until the day we die

 We'll always remain
