

# Luke Bryan - Crash My Party

Tom: G

It dont matter what plans Ive got, I can break em  
 Yeah I can turn this thing around at the next red light  
 And I dont mind tellin all the guys I cant meet em  
 Hell, we can all go raise some hell on any other night  
 Girl I don?t care, oh I just gotta see what youre wearin  
 Your hair, is it pulled up or fallin down  
 Oh I just have to see it now

Refrão:

If you wanna call me, call me, call me  
 You dont have to worry bout it baby  
 You can wake me up in the dead of the night  
 Wreck my plans, baby thats alright  
 This is a drop everything kinda thing  
 Swing on by, Ill pour you a drink  
 The doors unlocked, Ill leave on the lights  
 Baby you can crash my party anytime

Aint a spot downtown thats rockin the way that you rock me  
 Aint a bar that can make me buzz the way that you do  
 I could be on the front row of the best show  
 And look down and see your face on my phone  
 And Im gone, so long, hang on

Ill meet you in a minute or two

Tabrefrão:

If you wanna call me, call me, call me  
 You dont have to worry bout it baby  
 You can wake me up in the dead of the night  
 Wreck my plans, baby thats alright  
 This is a drop everything kinda thing  
 Swing on by, Ill pour you a drink  
 The doors unlocked, Ill leave on the lights  
 Baby you can crash my party anytime

(Refrão)

 And wonderin what I?m doin

Tabrefrão:

Go ahead and call me, call me, call me  
 You don?t have to worry bout it baby
