

## Luke Bryan - Crash My Party

Tom: G It dont matter what plans Ive got, I can break em Yeah I can turn this thing around at the next red light And I dont mind tellin all the guys I cant meet em Hell, we can all go raise some hell on any other night Girl I don?t care, oh I just gotta see what youre wearin Your hair, is it pulled up or fallin down Oh I just have to see it now Refrão: If you wanna call me, call me, call me You dont have to worry bout it baby You can wake me up in the dead of the night Wreck my plans, baby thats alright This is a drop everything kinda thing Swing on by, Ill pour you a drink The doors unlocked, Ill leave on the lights Baby you can crash my party anytime Aint a spot downtown thats rockin the way that you rock me Aint a bar that can make me buzz the way that you do  $\ensuremath{\mathrm{I}}$  could be on the front row of the best show And look down and see your face on my phone С And Im gone, so long, hang on

Ill meet you in a minute or two Tabrefrão:

If you wanna call me, call me

Em D

You dont have to worry bout it baby

C

You can wake me up in the dead of the night

Em D

Wreck my plans, baby that?s alright

C

G

This is a drop everything kinda thing

Em D

Swing on by, Ill pour you a drink

C

The doors unlocked, Ill leave on the lights

Em D

Baby you can crash my party anytime

(Refrão)

Ponte:

If its two in the mornin and youre feelin lonely

Em D

And wonderin what I?m doin

Tabrefrão:

Go ahead and call me, call me

Em D

You don?t have to worry bout it baby

C G

You can wake me up in the dead of the night

Em D

Wreck my plans, baby thats alright

C G

This is a drop everything kinda thing

This is a drop everything kinda thing

Em

Swing on by, Ill pour you a drink

C

The doors unlocked, Ill leave on the lights

Baby you can crash my party anytime
Em D C
Baby you can crash my party anytime
