

# Luke Combs - Beer Never Broke My Heart

tom:  
<sup>D</sup>  
 I've had a largemouth bass bust my line  
 A couple beautiful girls tell me goodbye  
 Trucks break down, dogs run off  
 Politicians lie, been fired by the boss  
<sup>D</sup>  
 It takes one hand to count the things I can count on  
 No, there ain't much, man, that ain't never let me down  
<sup>D</sup> <sup>G</sup> <sup>D</sup>  
 Long neck ice cold beer never broke my heart  
 Like diamond rings and football teams have torn this boy apart  
<sup>D</sup> <sup>G</sup> <sup>D</sup>  
 Like a neon dream, it just dawned  
 On me, that bars and this guitar  
<sup>A</sup> <sup>D</sup>  
 And long neck ice cold beer never broke my heart  
<sup>D</sup>  
 She was a Carolina blue jean baby  
 Fire in her eyes that drove me crazy  
 It was red taillights when she left town

<sup>D</sup>  
 It takes one hand to count the things I can count on  
 But I got one hand that's gripping down on a cold one  
<sup>D</sup> <sup>G</sup> <sup>D</sup>  
 'Cause long neck ice cold beer never broke my heart  
<sup>A</sup>  
 Like diamond rings and football teams have torn this boy apart  
<sup>D</sup>  
 Like a neon dream, it just dawned  
<sup>G</sup> <sup>D</sup>  
 On me, that bars and this guitar  
<sup>A</sup> <sup>G</sup> <sup>D</sup>  
 And long neck ice cold beer never broke my heart, no  
 It never broke my heart
