

Luke Combs - Dive

tom:
Intro: D Bm G A
D Bm G A

[Primeira Parte]

Oh, maybe I came on too strong
Maybe I waited too long
Maybe I played my cards wrong, oh just a little bit wrong
Baby I... apologize for it

[Pré-Refrão]

I could fall, or I could fly
Here in your aeroplane
And I could live, I could die
Hangin' on the words you say
And I've been known to give my all
And jumpin' in harder than
Ten thousand rocks on the lake

[Refrão]

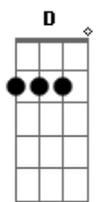

So don't call me baby
Unless you mean it
Don't tell me you need me
If you don't believe it
So let me know the truth
Before I dive right into you

[Segunda Parte]

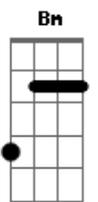

You're a mystery
I have travelled the world
And there's no other girl like you, no one
What's your history? (What's your history?)
Do you have a tendency to lead some people on?
'Cause I heard you do

[Pré-Refrão]

I could fall, or I could fly
Here in your aeroplane
And I could live, I could die
Hanging on the words you say
And I've been known to give my all
And lie awake, every day
Don't know how much I can take
[Refrão]

So don't call me baby
Unless you mean it
Don't tell me you need me
If you don't believe it
So let me know the truth
Before I dive right into you

[Solo] D Bm G A
D Bm G A

[Pré-Refrão]

I could fall, or I could fly
Here in your aeroplane
And I could live, I could die
Hanging on the words you say
And I've been known to give my all
Sittin' back, lookin' at
Every mess that I made

[Refrão]

So don't call me baby
Unless you mean it
Don't tell me you need me
If you don't believe it
So let me know the truth
Before I dive right into you
Before I dive right into you
Before I dive right into you
