[Primeira Parte]

My dearest darlin', I miss you more
Than words can tell
I hope the garden's growin' tall
You're in good spirits and good Health
We've traveled far now, with a long
Way to go still
I know not yet, when I'll return
Or if I ever will

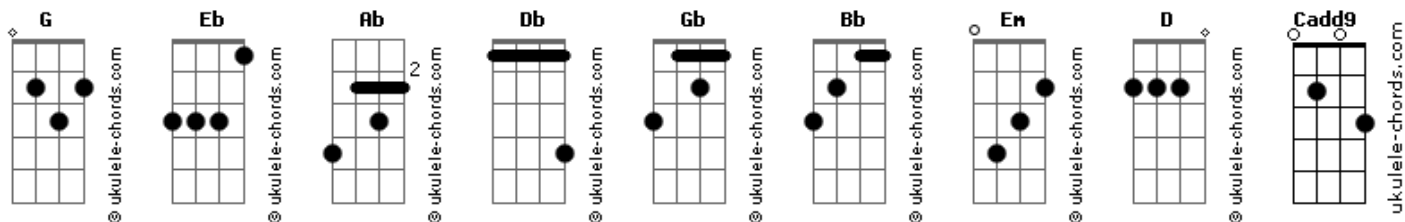

[Segunda Parte]

Each day grows colder, filled with
Powder, smoke, and steel
I worry 'fore its over, I've
Forgotten how to feel
I keep your picture, in the pocket
Of my coat
I sometimes find, when I'm alone
It's my last bit of hope

[Refrão]

Amidst the grips of these troubled
Times
A way back to you, I always find
You're the wind that whispers
Through the pines
The bloom in the rose, the green on
The vine
Until we meet again my love's
Sincerely signed

Acordes

I'm ever yours, you're ever mine

[Terceira Parte]

Some of these boys, aren't much
Older than our own
They fight like men, and then get
Cut down before they're grown
This is my prayer, that our daughter
And our sons
Wrap their arms around each other
And never around a gun

[Refrão]

Amidst the grips of these troubled
Times
A way back to you, I always find
You're the wind that whispers
Through the pines
The bloom in the rose, the green on
The vine
Until we meet again my love's
Sincerely signed
I'm ever yours, you're ever mine
(Cadd9 G D Em)

[Final]

If you should hear it's come my time
A way back to you, I always find
I'll be the wind that whispers
Through the pines
The pitch in the black, the star in
The shine
We'll meet again on the other side
I'm ever yours, you're ever mine
