Em C G
D Just pick yourself up, dust yourself off, they say it ain't that hard

D But this put one foot in front of the other, ain't gettin' me to far

Em C G D This movin' along ain't comin' along, the way they said it would

Em C G D I guess whoever said the grass is greener, must've never seen the other side

Em C G D What don't kill you makes you stronger, sure sounds like a lie

D Whoever said that time heals everything, and everything will be alright

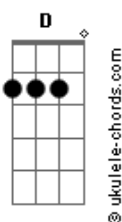

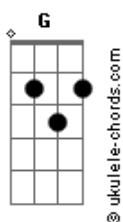

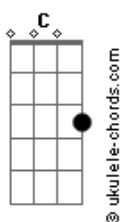

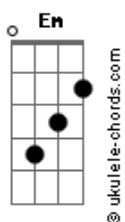

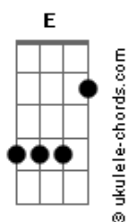

D Whoever said it ain't the end of the world, & you'll find somebody new

Em C G D Must've never met you - Must've never met you

Em C G D Must've never heard you say you'd never leave me, then watch you walk away

Em C G

Acordes

Must've never fell as hard as i did, Cause then they'd never say

Em C G D Maybe it wasn't meant to be, & maybe you're better off alone

Em C G D I guess whoever said the grass is greener, must've never seen the other side

Em C G D What don't kill you makes you stronger, sure sounds like a lie

Em C G D Whoever said that time heals everything, and everything will be alright

Em C G D Whoever said it ain't the end of the world, & you'll find somebody new

Em C G D Must've never met you - Must've never met you

Em C G D I guess whoever said the grass is greener, must've never seen the other side

Em C G D What don't kill you makes you stronger, still sounds like a lie

Em C G D Whoever said that time heals everything, and everything will be alright

Em C G D Whoever said it ain't the end of the world, you know she ain't the only girl

Em C G D You win, you lose, you find somebody new

Em C G D Must've never met you - Must've never met you
