Seventeen you don't think that much about life, you just live it

Like kerosene dancing around a fire, but you're in it

So you jump right in, ain't afraid to fall, and you give it all

She got the best of me, she broke my heart

C **G** **Em7** **D**
Now all that's left of me, is beating in this guitar

C **G** **Em7** **D**
Every night a different town, she follows me around

C **G** **Em7** **D**
So you get what's left of me, yeah you get what's left of me

Cause she got the best of me

I picked my self up off the floor and found something new
worth living for

One dusty hand-me-down six string and a couple cords
C **G** **C** **G**

D
I'm getting over her a little more with every song, so sing along
