

Luke Combs - This One's For You

```
(com acordes na forma de C )
Capostraste na 4ª casa
Intro: C G C G
There's a couple of people that I owe a beer or two
And three or four that I owe more than a few
For all the times I could not find the answers
Stumbling though the dark without a clue
This one's for you
Mom and dad always did their best
For a crazy fool who could not help himself
 A7sus4
I thank god that they were there to see me through
This one's for you
I told you that I'd write you a song
Pour out my heart in the melody
To keep you singing along
This might not be the right time
These might not be the right lines to prove
Or say what I'm trying to
But this one's for you
I've been knocked down time and time again
Got picked back up by love and a couple of friends
Who reminded me of all that I stood to lose
```
