

# Luke Grimes - Burn

tom:

Intro:

[Primeira Parte]

Warning signs  
Everywhere  
I know I'm playing with fire girl and I just don't care  
See the flames  
In your eyes  
When I wind up hurt know the fault's all mine

[Pré-Refrão]

Ain't no sense in trying to hold you tight  
If I'm a bridge you're trying to cross tonight

[Refrão]

Let it burn  
Till I'm a pile of ashes  
Smokin' on your goodbye dirt  
Rip that rearview off girl  
And do what you do  
You were gone from the start  
So if this breaking my heart's  
Just a lesson I gotta learn  
When it's time to run  
Light me up  
And let me burn  
( Dm Dm )

[Segunda Parte]

I'd be lying  
To the world  
If I said I didn't want you to stay here girl  
Till you're gone  
Hold me tight  
Till I'm standing in the red of your tail lights

[Pré-Refrão]

Bb

Truth is I don't wanna let go  
When it's time for the rubber to meet the road

[Refrão]

Let it burn  
Till I'm a pile of ashes  
Smokin' on your goodbye dirt  
Rip that rearview off girl  
And do what you do  
You were gone from the start  
So if this breaking my heart's  
Just a lesson I gotta learn  
When it's time to run  
Light me up  
And let me bur-urn  
Yeah let me bur-urn

[Break]

When too good to be true  
Turns and hurts like hell  
And it's just me and that whiskey bottle on the shelf

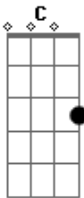

[Refrão]

Let it burn  
Till I'm a pile of ashes  
Smokin' on your goodbye dirt  
Rip that rearview off girl  
And do what you do  
You were gone from the start  
So if this breaking my heart's  
Just a lesson I gotta learn  
When it's time to run  
Light me up  
And let me bur-urn

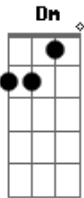

[Final]

Yeah, let me bur-urn
